

INTRODUCING

# BRUTE II

FOR THE BINDERY

## Rugged log builder on wheels. Bundles with air . . . bands with steel.

Brackett **BRUTE II** bundles and bands your paper materials into convenient "logs" for damage-free handling and compact storage. Maximum log length: 30 inches, compressed with up to 4500 lbs. of force. Handles printed signatures, folders, booklets, end sheets, etc. Tough **BRUTE II** is built with heavy duty steel framing for long life, even with everyday use.

Stainless steel hopper is tilted and sloped for convenient loading and maximum product control. **BRUTE II** moves easily on casters but locks to the floor for stability during operation.
